

UNSW Standard Computer Options

All of the standard equipment costs detailed below will be covered by the TRC for staff indicated in each category:

Category	Level	Device
1	All administrative staff up to School Manager level	Desktop machine- must be a Windows OS machine to run HR & financial applications
2	All other staff up to School Manager level	Desktop machine - can select either Window or Mac OS machine
3	School Manager & Above	Desktop machine - can select either Window or Mac OS machine or ; Laptop & accessories - can select either Window or Mac OS machine

Should the school/centre require a machine with higher specifications, or a laptop & accessories for staff in the first two categories, TRC will fund the purchase up to the price of a desktop machine, the balance would need to be funded by the school/centre.
